Issue

At a time when the European Commission has just adopted a new Strategic Framework for the EU for the period 2014-2020, Representatives of Community institutions, European social partners and the competent national organizations will review progress in the area of occupational safety and health since the Single European Act of 1986 (directives, framework agreements, strategies, etc.), possible problems of application, and the challenges to be faced in the coming years (economic crisis, emerging risks, population ageing, OSH management, etc.) and specific interest for networking and cooperation.

Objectives

The EUROGIP Conference aims to facilitate the exchange of information and experience between the relevant stakeholders: public authorities, "safety" managers, social partners, human resources managers, industrial doctors, researchers, etc.

It is organized in the form of round-table discussions conducted by a journalist, Régis de Closets. Following each of them, time will be devoted to question and answer sessions between the speakers and the audience.

Programme

- 8.30 Welcome coffee - Registration of participants
- 9.00 Introduction to the Discussions
- 10.15 Round table 1: European impetus given to the health and safety at work issue
- 11.15 Break
- 11.45 Round table 2: Impact of this impetus in France
- 13.00 Lunch (on the spot)
- 14.15 Round table 3: Which strategies, which approaches to cope with tomorrow challenges?
- 16.15 Conclusion
- 16.30 End of discussions
