

New standards publications, new works, registration of new subjects or comity creations... Below is the result of the monitoring that EUROGIP does, as part of its standardization activity in health and safety at work. Do not hesitate, if you are interested in the subject, to position yourself and participate.

#### HEALTH AND SAFETY AT WORK STANDARDS PUBLISHED

NF EN 131-1/IN2 Ladders - Part 1: terminology, types, functional dimensions
